

SHEET VINYL ADHESIVE

Seven Year Pro-Rata Limited Warranty

AAT-271 Sheet Vinyl Adhesive and AAT-272 Super Premium Resilient Adhesive are warranted for use with sheet vinyl intended for “full spread” installation applications. Should this product be the sole cause of discoloration or lose cohesive bond due to a defect in materials or workmanship, AAT will bear the responsibility for all materials and labor necessary to affect repairs, as long as the installation is performed in compliance with AAT’s specifications, the flooring manufacturer’s written installation recommendations, and normally accepted industry guidelines (RFCI).

STATEMENT OF WARRANTY

A 100 percent replacement on labor and materials will be honored for the first year’s performance should adhesive failure occur. The seven year warranty will cover reasonable labor at a rate of 75 percent for the second and third years, 50 percent for the fourth and fifth years and 25 percent for the sixth and seventh years.

The cost covered for replacement labor is 50 percent for the second and third years(part or whole); 25 percent for the fourth and fifth years. No replacement labor cost is covered for the sixth and seventh years.

For materials cost on floor covering repair or replacement, a straight line depreciation schedule will be calculated for the second through the seventh year based upon the original manufacturer’s price.

AAT, Warrantor, warrants to its immediate purchaser for resale, the Customer, the Product, to be free from defects in material and workmanship for the term of this warranty provided the installation has been performed according to the specific recommendations and the Instructions furnished for the Product by AAT and the flooring manufacturer’s installation instructions. (The Instructions are the Product label and specification sheet, and also AAT’s Specification Guide and Adhesive Guide.) The Product is warranted provided the flooring was installed according to the Product’s Instructions and the flooring manufacturer’s instructions. The sole responsibility of the Warrantor under this warranty shall be to reimburse the Customer for reasonable costs of labor and materials to either repair or replace, at the Warrantor’s option, the affected area(s) of the installed flooring. All areas in which the floor covering is to be repaired/replaced under the terms of this warranty must be cleared at the end-user’s expense of all equipment, furnishings, partitions, and the like, that may have been installed over the floor-covering subsequent to the original installation.
